1.Enter the App, tap"+"in the upper right of the page to enter network connection page, as shown in the picture

2.There are two network connection methods(Normal mode and AP mode). Normal mode is default. Users could tap the upper right corner to switch the connection method to AP mode.

3.For normal mode, please make sure the device's indicator light rapidly flashes (2 times per second), tap to go on to the next step

4. If indicator light is not rapidly flashing, tap "how to set indicator light as rapid flashes" to view operation processes.

Notes: How to set indicator light as rapid flashing

Step 1 Power on device. Power off after 10s and then power on

Hold the reset button for 5s

Step 3

Confirm indicator light is now rapidly flahsing

1.For AP mode, please make sure the device's indicator light slowly flashes(1 time every 3 seconds),tap to go on to the next step

2. If indicator light is slowly flashing, tap "how to set indicator light as slow flashes" to view operation processes.

Notes: How to set indicator light as slow flashing

Step 1 Power on device. Power off after 10s and then power on

Hold the reset button for 5s

Confirm indicator light is now rapidly flahsing

Step 4 Hold reset button for 5s

until indicator light is slowly flashing

Select the Wi-Fi under which device is working, enter password and tap "Confirm" to enter network connection process, as shown in the picture below If you select normal mode to connect device to the network, the App goes through the processes as shown in the picture 1. After the network connection is successfully, the App page will be shown in the picture 2

For AP mode, connect to the Wi-Fi hotspot named "SmartLife", as shown in the picture Notes: Some devices might have different hotspot names. After connecting with the hotspot, back to the network connection page to enter network connection process. The App goes through as shown in the picture 1. Picture 2 shows the App page when the network connection is successful.

If your App interface is shown as in the picture, it means that the network connection failed. You could try by connecting again or view help.
